

Dear Senator [Senator's Name],

I am writing to express my deep concern about the issue of gun violence in our community. As a (relationship to University; I.E Student/Parent of a student/Alumni) of (University) I was devastated to hear about the recent news concerning gun violence on college campuses in North Carolina and your involvement in the writing of Senate Bill 41. The multiple deaths of our peers within the last year has left a profound impact on our community and has highlighted the urgent need for action to prevent future tragedies; action that this bill directly argues against.

I am writing to urge you to take action on this issue by supporting common-sense gun reform measures. We need to ensure that our communities are safe from the devastating impact of gun violence. I urge you to support measures such as universal background checks, closing the gun show loophole, and preventing individuals with a history of domestic violence from purchasing firearms.

Furthermore, I am disappointed by your past actions, or lack thereof, concerning gun reform. It is time for our elected officials to prioritize the safety of their constituents over the interests of the gun lobby. The time for inaction has passed, and I urge you to take swift action to prevent further tragedies.

Thank you for your attention to this matter. I look forward to hearing from you about your plans to adequately address gun violence in our community.

Sincerely,

[Your Name]
